Lady lady  
Won't you give me your all  
More than the all you gave before  
Please please

There's a sparkle in your eyes  
Let us light it one more time  
Give me give me give me one more sign  
Let us not be blind baby all the time

Coz I'll miss you, always Chambliss  
Coz you'll miss me, always lady

we're always in a bind  
let us try and find  
peace of mind

Let us try another way  
Let us try to make it sideways  
Ok ok ?  
Coz lady lady

We don't want any regrets  
Please no shyness, please no fright  
Coz I need you every days and night
