

I Wonder

1. Verse

Boby gotta catch another train,
Cause He won't to go back again.
Don't wonder, don't wonder

Boby gonna miss another rain,
Cos he won't to take a purple train.
Don't wonder, he knows the truth

2. verse

He just never wanna feels the pain.
Sells his soul to have some again.

Boby 's asking can I have some more.

You lie again, you know my friend
Your lies will never end

Cause he never wanna feel the pain,
Cause he never wanna crack again,
I Wonder, you know I wonder

Cause he never wanna hit the flor
But he's asking can i have some more
I Wonder if all is true

You lie again you know my friend
Your lies my friend will never end
